

# Access a curated network of trusted vendors

We make it easier to find, select and offer health care solutions to your employees.

There's an abundance of vendors in the marketplace today, and the number is continually growing. Evaluating, choosing and managing the right solutions is time and resource intensive.

Optum Hub™ is a curated network of vendors designed to deliver simplified selection, purchasing experience and performance management. We help make it simple to find, select and offer services that meet the needs of your employees – all in one place.

## Streamline selection and purchasing with our connected ecosystem

We make the process of choosing vendors and purchasing services easier. We also offer you support in finding the solutions that work best with your business. Our dedicated team:

- Reviews the marketplace for vendor solutions for you and your employees
- Assesses solutions and identifies leaders in the industry
- Provides one contract and simple invoicing and helps secure competitive, flexible pricing
- Conducts ongoing reviews and performance analyses to maintain high standards

### Optum Hub helps you:

Increase employee engagement and satisfaction

Help employees understand and use their health benefits and services

Improve communication, integration and administration
