

High-quality compensation and pension exams

Supporting the resolution of benefit claims for
Veterans and separating Service Members.

Benefits

- Integrated process to schedule and complete required exams in accordance with requests received from VA Regional Offices
- Uses a secure online portal to deliver exam documents to trained and certified examiners and delivers results seamlessly to the VBA Management System to complete the claim
- Leverages a network of more than 4,100 providers located throughout all 50 states
- Utilizes mobile units, telehealth and other exam modalities to serve rural areas and minimize travel when face-to-face exams are not required

Service

- Review of Veterans' medical history and current state of health
- Completion of Disability Benefits Questionnaires and Medical Opinions requested by the VA

> **430K**

Veterans served in the
last 12 months

> **21M**

services provided in the
last 12 months
